Dear Parent/Carer

School Meal Price increase

As a result of increasing costs of food and deliveries we are having to increase the cost of a meal deal from £2.10 to £2.30 a day from 1 September 2023. The cost of individual items purchased, not as part of a meal deal, will increase by 10%. Though this is unfortunate, we are confident that it still represents good value for money.

We obviously realise that this is coming at a time when the cost of living is particularly high, but as a school we cannot continue to absorb the rising prices we are facing and this is the first increase we have implemented in several years.

Yours faithfully
