Academy Code of Conduct

- We are committed to high standards in all that we do.
- We expect all students to show respect for staff and for each other.

Respect for others;

- Try to see other people's points of view.
- Communicate calmly and clearly.
- Help to keep the classroom environment a place for positive learning.

Respect for the academy;

- Help to make the academy a pleasant environment.
- Move about in a co-operative fashion.
- Remember that you represent the academy whenever you are in uniform.

Respect for self;

- Dress in a manner that shows yourself at your best.
- Complete all work to the best of your ability.
- Do not let yourself down.

We also remind students that ...

- Chewing gum is messy and ruins clothes, equipment and furniture. Do not bring it to school.
- Out of school, remember you are representing the school when you are in uniform.
- Personal music systems and other expensive equipment should not be brought into school. School is not insured for the loss of students' personal property.

On occasions when students do fail to conform to these expectations, the academy employs various strategies and sanctions. This includes the use of school detentions which may be held before or after school. Where detentions are for more than fifteen minutes, parents will be informed, usually through the Student Planner or a letter home. Parents' help and support is an essential part of the academies success in upholding standards.
